Registration set

Preschool registration for children who will enter school in September, 1983 will be held at Appomattox Primary School on Thursday and Friday, March 24 and 25.

Parents may register their children on either date from 9 a.m. to 4:30 p.m.

In order to enter school, a student must have a record of a comprehensive physical examination given by a licensed physician within the past twelve months. A certificate from a licensed physician certifying that the child has been immunized against communicable diseases is also required.

Children may attend kindergarten during the 1983-84 school year who have reached their fifth birthday on or before December 31 of the school year.

A parent or guardian enrolling a child who will reach the age of five after September 30 and on or before December 31 of the school year will want to discuss with the principal the advisability of the child attending kindergarten.

Children may be admitted to first grade for the 1983-84 school session who have reached their sixth birthday on or before December 31, 1983.

To verify a child's age, parents must present a birth certificate, hospital statement or acceptable record upon registration at the local school.

Employment of personnel and development of plans for the 1983-84 school year are based on the enrollment of school students. Therefore, it is very important that all children who are eligible to enter kindergarten or first grade next year who are not in school this year register on March 24 or 25.

Volunteers receive 58 calls

Volunteer members of the Appomattox County Rescue Squad responded to a total of 58 calls during the month of February. In doing so, they travelled 2,326 miles and used 282 1/4 man-hours.

A breakdown of calls follows: breathing difficulty, 8; heart attack, 6; miscellaneous, 9; transport, 9; broken bones, 2; auto wreck, 9; D.O.A., 4; chest pains, 4; fall, 3; overdose, 2; maternity, 1; stroke,1.

The death of William Anderson (Andy) Scruggs leaves the Appomattox County Rescue Squad void of one man who voluntarily dedicated 22 years of his life to help others. His faithful service over the years will forever have a marked affect on the squad and on all the lives he touched.

Don't forget to register

Young men in Appomattox are reminded by officials of the Selective Service System that they must register with Selective Service within 30 days of their 18th birthday.

All young men born on or after Jan. 1, 1960, must register regardless of their situation, except those on full-time active military duty.

Registration does not mean draft, but does give the government knowledge of the manpower available for any emergency call-up. In the event of national mobilization, then students seeking deferment, hardship or other such permitted exempt status would at that time have their status determined.

Registration is accomplished by a young man going to the Post Office and presenting identification such as a driver's license or social security card, within 30 days of his 18th birthday.

Currently, approximately 94 percent of all young men subject to registration have registered. However, there are many young men and parents of registration-age males who are unaware of this obligation, and severe penalties may result from failure to register.

MONROE DYESS (right) is shown pinning the Ranger tab on his son, 2nd Lt. Robert Dyess, at graduation exercises Feb. 17 at Fort Benning, Ga. The Ranger designation indicates leadership skills and combat abilities under a variety of conditions. Dyess, whose father is a member of the Appomattox County Sheriff's Dept., is a recent graduate of West Point Military Academy. He is currently stationed at Fort Bragg, N.C.

AN ART WORKSHOP, conducted by Mrs. Dorothy Chase, art teacher of Greenfield Elementary School in Chesterfield County, was held on March 5, 1983, for the K-2 teachers at the Appomattox Primary School. APS teachers collected art objectives by grade levels to coordinate with other subject areas. After the demonstrations by Mrs. Chase, teachers were given the opportunity to make a sample of each suggestion to add to their existing file of objectives. Pictured to the left is Mrs. Chase assisting teachers with printing, color mixing, matting, fabric art, and developing textures. Mrs. Chase was selected by the State Department of Education to assist in developing Standards of Learning Art Objectives.

Chorale benefit slated for March 11 at ACHS

If you like bluegrass, country and gospel music, here is the show for you. The Clearwater Reflections, Rocky Run Express and the Three In One Gospel Quartet will be presenting a benefit show Friday night, March 11 at 7:30 p.m. at the ACHS auditorium.

"Uncle Joe" Johnson of the House of Music here in Appomattox will be the MC for the evening. Tickets will be sold at the door -- $2.00 for adults and $1.50 for children.

The three musical groups performing have generously donated their time and talents for this evening to raise funds to help defray the cost of transportation for the Chorale students so that they might be able to attend the International Musical Adjudication in Orlando, Florida in April.

You can help this worthwhile cause by coming out this Friday night and enjoying an evening of bluegrass, country and gospel music. Bring your friends and families.

Pamplin AARP to meet

The Pamplin Chapter of American Association of Retired Persons will hold their regular monthly meeting on March 15 in the Pamplin Charge United Methodist Church friendship hall at 12 o'clock noon.

After enjoying a pot-luck lunch there will be a brief meeting followed by a very interesting speaker.

Please try to attend and enjoy the fellowship; our books are now open for new membership. All people over 55 years of age are more than welcome.

Pulliam completes training
